

Digital Expo Virtual Tour with Valsir

Exploring the virtual impact upon customers buying behaviors. Al Sahoo together with our brand partner Valsir SpA presents the virtual visit to one of the Valsir direct showrooms in Roè Volciano. Enjoy and discover in first-person all our products, directly presented by our Product Managers.

You can explore our brand expertise through over 50 videos with detailed explanations and also, we will share downloadable documents and technical insights. One to one session can be arranged with our staffs directly for the further questions and queries.

Here you can explore products related contents as well as there will be section to explain and introduce the BIM designs and development with our most important references around the globe.
